Description: In this Franklin Classic Storybook, Franklin is determined to ride his bike without training wheels, and he cant understand why it seems so easy for his friends -- or why its so hard for him....

Review: My kid loves Franklin - the books have simple, yet meaningful stories and are beautifully illustrated. For a toddler who is trying to lose his training wheels, it is great to have this story of if Franklin can do it... As for the book, there is enough detail in the illustration that we spend three-four times the amount of time it takes to read the...
